Case # **2016-00022939****REPORT NARRATIVE**

BPD-108 (rev. 03-28-2013)

NARRATIVE**Summary:**

On 4/19/16, at approximately 1100Hrs, Jue was struck in the face and knocked to the ground by a Berkeley Ambassador, (who was a black male adult) at Kittredge St. and Shattuck Ave.

Investigation:

On 4/19/16, at 1350Hrs, I was dispatched to The North Berkeley Senior Center for a report of a cold battery that occurred at Kittredge St. and Shattuck Ave. at approximately 1100Hrs. I contacted the R/P and Victim Jue at the center. I obtained Jue's verbal statement.

Jue told me that he was laying in a cement planter circle at Kittredge St. and Shattuck Ave. day dreaming and looking at leaves when he was suddenly struck on the right side of his face, which caused him to role off of the planter and hit his lip on the sidewalk. Jue said that he looked up to see a Berkeley Ambassador standing there, who Jue described as a Black, Male, Adult, approximately 5'4 to 5'6, average build, with a medium complexion, wearing the Ambassadors uniform. He also said that the man may have had a mustache. Jue stated that the Ambassador, after striking him, said, "The businesses don't want you laying on the planter".

I asked Jue if he was injured. He showed me his lip, which had a small cut on the inner left portion, however he declined medical services. Ofc. Pierantoni #96, (who was on scene assisting me), took a picture of Jue's injury for documentation.

I contacted Lance Goree, Operations Manager, in an attempt to identify the involved Ambassador.

Lance told me that there was only one Ambassador it could be and said that Ambassador had told him that he tried to get someone to move along from McDonalds and that individual said he was going to contact the police and say that the Ambassador had hit him.

I provided Lance with my contact information and asked him to contact me when he had confirmed the identity of the Ambassador involved in the incident.

I will continue this investigation when I have the Ambassador's name and contact information.
