DESCRIPTION:

### NARRATIVE

#### INCIDENT:

On 11/29/20 at approx. 0241 hours, the Berkeley Police Department (BPD) received a call from an unknown reporting party stating the fire alarm at Allston Way was going off and the resident inside, later identified as IP - Gregory Bigbee, was inside yelling and hitting things with a baseball bat.

I arrived on scene and saw an exterior window on the floor had been smashed and there was glass on the sidewalk.

I attempted to make phone contact with Bigbee through a phone number found from a prior contact with Bigbee. Bigbee did not answer the phone.

## REPORT NARRATIVE

BPD-108 (rev. 03-29-2013)

### NARRATIVE

BPD Officers and I went into the apartment complex and attempted contact with Bigbee at unit      Officer Bally#73 knocked on the door. Bigbee yelled back and was communicating with Officer Bally. Bigbee yelled for us to come inside. Officer Bally informed Bigbee the door was locked. Bigbee replied that he had fallen and he could not get up. Bigbee requested help from an ambulance and repeated he had fallen, could not get up and was in need of help.

The Berkeley Fire Department (BFD) came to the apartment. BFD was informed of Bigbee requesting help and that he had fallen. BFD kicked the door open due to it being locked.

After the door was kicked open, we attempted to open the door. The door was barricaded with a box spring, mattress and pile of garbage. The box spring and the mattress were removed from behind the door and pulled out of the way.

Officers made entry into Bigbee's apartment. I saw Bigbee laying on the ground surrounded by and laying on garbage. The apartment appeared to be thrashed and thrown apart. The window facing the exterior was broken with the glass going out to the sidewalk. There was large dents in the wall which appeared to have been created by a blunt object.

Bigbee was assisted with standing up and placed in handcuffs for his safety and for the safety of the Officers at the scene. Bigbee walked out of the apartment. Bigbee was evaluated by BFD. BFD stated Bigbee did not have any injuries or need for medical transport.

I asked Bigbee why his apartment door was barricaded and why his window was broken. Bigbee stated he did not know. Bigbee denied causing the damage or barricading the door. Bigbee did not appear to understand what had happened or that anything was wrong.

I placed Bigbee on a      hold based on what I observed at the scene, how we found him, and him not thinking anything was wrong. Bigbee was placed on hold for being gravely disabled. Bigbee was transported by FALK to      Hospital without incident.

I took four photographs of the broken window, damage to the wall, and the condition of the room. I uploaded the four photographs to BPD Evidence.com.

I provided an employee of the complex with a report receipt for this incident.
