### NARRATIVE

#### INCIDENT NARRATIVE:

On 10/05/2023 at approximately 1915 hours, I was dispatched to a phone report at Allston Way regarding a disturbance. I called the RP, Helton Carvalho. I activated my BWC. Carvalho advised me of the following, in summary:

The day prior, at around 7PM, Carvalho and a Japanese student who lived in the building (Keisuke) were having a conversation in the common kitchen area. Chantalle Moore inserted herself into the conversation. Moore allegedly began saying racial things. Moore has stated that she would call her friends in the police department and they would arrest Carvalho because he was not a citizen. Carvalho has had documented incidents in the past regarding unruly tenants and wanted to report last night's incident. Carvalho recorded the incident and Moore said that he was not allowed to record in the building. The building he lived in was allegedly a halfway house for parolees, a

hospice care facility, and residence. Carvalho was not sure if the building has the proper permits for these types of housing situations. Carvalho has tried to bring the issues to the management but does not get cooperation from them in dealing with the issues.

Carvalho perceived Moore's language as a hate crime. Carvalho has been in contact with the FBI regarding ongoing problems in the building.

Carvalho sent me a link of the video he recorded, but it was un viewable. I sent him a Axon citizen link, and I did not receive the video. I advised Carvalho that I did not receive the video.

Based on what Carvalho told me took place last night, I don't believe a crime occurred. I told Carvalho that Moore's comments were non sense and to disregard them.

I was unable to find Chantalle Moore via Berkeley local records check. Carvalho advised she lived in unit

I later received the videos that uploaded into evidence.com (8 in total). The video of the incident a day prior depicted Carvalho filming, who is presumably, Moore. Moore did not make any racial comments toward Carvalho, and it was 2 minutes of arguing.

Nothing further.
