CAD Narrative

01/02/2022 : 21:53:10 cob1\anjohnson Narrative: RP called to report overhearing her neighbor say that he wanted to hurt her grandson. She said her grandson lives in with her son, and that her neighbor does not know her grandson or where her grandson lives. She also said her building manager is working with a group called "Kidnap for kids" and is sponsoring other people in the building to harrass her. She said she has appointments with Berkeley to work through these problems, and that she has a phone appointment scheduled for tomorrow. Appears to be a the threat is unfounded, and RP has a follow up plan. I asked if she wanted to speak with tonight, and she said no, that she feels better after explaining things to me. No action required.
