Good afternoon Mr. ,

On May 2, 2024, your complaint was received in our walk-in office. I filed this complaint and submitted it to the appropriate unit. The information and video were thoroughly reviewed. Due to no allegation of color of law violation, this matter does not warrant further investigation.

Please refer to your local law enforcement department to file a separate complaint.

Thank you,

Allison LeClair

Special Agent, FBI

San Francisco Field Office
