INCIDENT REPORT:

On 01/06/2021 at approximately 0617 hours, RP-Rose ACOSTA called BPD Dispatch to report a disturbance that occurred overnight at the YMCA Hotel (Allston Way).

At approximately 0645 hours I arrived on scene and met with ACOSTA, who told me the following in summary:

She is one of the front desk clerks at the hotel. When she came to work this morning, she observed that several items that usually are on the front desk, were scattered all over the ground behind the front desk, including a Hewlett Packard printer. Everything was ok when the last clerk left the front desk area on 01/05/2021 around 2300 hours. She checked the video surveillance footage and observed that overnight, the guest from room who she identified as Gregory BIGBEE, came behind the front desk and stayed there for a few seconds. He showed me a photocopy of BIGBEE's driver license and

Case # **2021-00000601**

REPORT NARRATIVE

BPD-108 (rev. 03-29-2013)

NARRATIVE

she told me "he's the guy that appears in the video behind the front desk".

While I was talking with ACOSTA the manager of the Hotel, OP-Lance GOREE, arrived on scene and he told me they wanted BIGBEE out of the Hotel because he is causing disturbances often and bothering other hotel guests and hotel employees. He told me BIGBEE has been staying at the hotel since June 2020, and they had to call the police on him more than 10 times for other disturbances.

I asked ACOSTA if the printer was broken and she told me no, because she was able to print a document.

I asked ACOSTA if anything was missing from the front desk and she told me no.

GOREE provided me with a copy of the video surveillance footage and I uploaded it into Evidence.com.

GOREE asked me if BPD could remove BIGBEE from the hotel. He told me BIGBEE pays for his room monthly, but the last time he paid was in November.

I asked GOREE what is the process they follow when other guests don't pay for their room or they are behind with their payments, and he told me they first talk to them and ask them to leave the hotel without having to pay for the amount they owe, and if they don't leave they start the eviction process.

I told GOREE at this point this is a civil issue and they will have to work with their legal services to start the eviction process.

Today there was no damage to the hotel property.

I conducted a records check of BIGBEE which revealed BPD officers had been call several times over the past few months for disturbances at the YMCA Hotel where he was involved. Also is familiar with the case and they have contacted BIGBEE a couple of times.

I will place a referral with for BIGBEE for an evaluation and in order to explore other housing opportunities available for him.

My BWC was activated during the incident.

Nothing further.
