CAD Narrative

10/23/2020 : 13:03:57 cob1\kludovico Narrative: Stephen Holt reported being in a verbal altercation with the staff at the hotel (Rose Acosta). Holt was unhappy as he had been charged twice and Acosta would not print him out documents/receipt to show proof that he had paid. Holt was given the director's information to contact (Lance). Holt also advised that a HMA inserted himself as Holt and Acosta were speaking. Holt said the HMA threatened him and spit on him. When I asked him clarifying questions about the spit, Holt said the spit was not deliberate was only coming out of the HMA's mouth as they were in a verbal altercation.

I spoke to Rose. She said the Holt was being verbally aggressive towards her and an HMA told Holt to stop speaking to Rose in that way. Rose said Holt and the HMA were in a verbal altercation. Rose said no specific threats were made by the HMA or Holt. She added there was also nothing physical that occurred. ROse stated Holt was the aggressor during the incident with the HMA. She said both were calling each other names.

Holt was adamant on pressing charges against the HMA. The HMA was not located. I called Rose and asked her to email me with the video footage when she is able to access it. She agreed. I provided Holt with the incident number. No crime at this point. 415 only. BWC.
