Case # **2021-00004674****REPORT NARRATIVE**

BPD-108 (rev. 03-29-2013)

NARRATIVE**SUMMARY:**

On 02/03/2021 at approximately 1010 hours, and unknown suspect threw several frozen water bottles to the street from one of the rooms of the YMCA Hotel (2001 Allston Way). One of the bottles hit the Victim's vehicle and broke the rear windshield.

At the time of this report it is unknown from what room the suspect threw the bottles.

INVESTIGATION:

On 02/03/2021 at approximately 1030 hours, VI-Andrew ADAMS called BPD Dispatch to report a vandalism that occurred at 2000 Allston Way.

At approximately 1045 hours I arrived on scene and I activated my BWC. I observed a gray Nissan Sentra parked along the Allston Way south curbside, just in front of the Post Office. The rear windshield of the vehicle was shattered, and I observed a frozen plastic water bottle on the ground, approximately 15 feet south of where the vehicle was parked. The water bottle did not have any label attached. I observed some pieces of plastic scattered around the area where the vehicle was parked, and water marks on the ground. I interviewed ADAMS and he told me the following in summary:

He is an Uber driver. At approximately 1000 hours he parked his vehicle in front of the Post Office (2000 Allston Way) and he waited for a customer to give him ride. At about 1010 hours while he was inside his car, an object hit the rear windshield of his vehicle. He got out of the vehicle and observed a frozen plastic water bottle on the ground, and he realized the rear windshield was shattered. Then a subject approached him and told him he was the person waiting for the Uber ride. The subject told him he saw something hitting the car, and then he looked up and he saw somebody closing a window on the 4th floor of the building across the street (2001 Allston Way). The window was the one on the right side (the closest to Shattuck Ave area).

I asked ADAMS if the subject gave him a description of the person who was by the window and he told me no.

I asked ADAMS if he could give me the contact information of the subject/witness and he told me per Uber policy he couldn't do it.

ADAMS told me the cost of replacing the rear windshield was around \$400.

I took several photographs of the scene and the vehicle and I later uploaded them into Evidence.com.

I canvassed the area for video surveillance with negative results.

After talking with ADAMS I went to the YMCA Hotel and I contacted OP- Lance GOREE, manager of the hotel. I told him about the incident, and he told me he did not hear or see anything during the morning and he was not aware of anybody throwing things to the street from inside the hotel or any similar prior incidents. I asked GOREE what was the number of the room located on the 4th floor closest to the Shattuck side, and he told me room #438. I contacted the resident of room #438, OP-Melissa BRUCE, and she told me she did not throw anything through the window nor saw anybody throwing anything to the street from inside the building.

DISPOSITION:

Nothing further.
