**NARRATIVE****Investigative Narrative:**

On 1/08/2022 at 1453 hours, I was dispatched to a disturbance from Allston Way, Apartment Berkeley. The reporting party, Louisa Huber advised Berkeley PD Dispatch that she has been receiving harassment from the subjects in apartments and Huber advised that the subjects changed the locks on her door in her room.

At 1552 hours, I contacted Huber, via telephone. We briefly spoke on the phone and she advised that she was outside of the Berkeley Police Station and requested personal contact. Shortly after, I met with Huber. I recorded the interaction with Huber on my Berkeley Police Department issued Body Worn Camera.

Huber advised that she is hearing voices and sounds through the intercom that project into her room. Huber thinks that she will be kidnapped by the people who live in and Huber advised that she has been harassed by these subjects for months. Huber and I spoke at lengths about what her neighbors were doing. I provided Huber advise on how

### NARRATIVE

to handle the situation for the evening and advised I would speak with her in the following days to check on her. I also asked Huber to write a statement regarding all of the ongoing harassment she has endured, so that it can be documented properly.

Berkeley Mental Health was not on duty at this time. I provided Huber with my contact information and Berkeley phone number.

At this time, I did not believe that Huber fit the criteria for a \_\_\_\_\_ at this time.

On 01/09/2022, I spoke with Jen Wydro with \_\_\_\_\_ Health. I informed Jen Wydro about Huber's concerns and asked Wydro to assign a case worker to Huber. Wydro advised she would follow up on the request and assist Huber.

On 01/14/2022, I received a voicemail from Huber advised that she received a call from Tomika at Berkeley Mobile Crisis. Huber advised that she took a photograph of the subject that has been harassing her. Huber advised that she has been received more threats and stated that there are associated vehicles with the subjects. Huber advised that she was going to send photographs.

Officer Ceja provided me with a note from Huber regarding vehicles that may be associated with the above incidents and subjects in \_\_\_\_\_. Huber provided a license plate of CA \_\_\_\_\_ for a 4 door, gray truck and \_\_\_\_\_ for a gray SUV.

Records checks of Huber revealed that she has reported ongoing harassment between her and various neighbors over time. Officer Valle authored an incident report under BPD Incident #21-54559. Officer Valle noted that a records check of Louisa Huber revealed the following incident reports involving suspicious unfounded allegations of electrocution, pedophilia and kidnapping:

- 21-34894
- 21-35837
- 21-52860

As of the submission of this report, Huber has not sent any further documentation regarding the above events. This report is for documentation only at this time.
